

Nichirei Group's Mission

Focus on Lifestyles, and Provide True Satisfaction

Nichirei Logistics Group's Mission

Vision

**Making Japan's No.1 advanced
low-temperature logistics the world standard.**

Pursuing innovative know-how and providing optimal solutions
to social and customer issues.

We will continue to respond to the trust of our customers
that we have cultivated so far and become an irreplaceable partner
as a low-temperature logistics partner.

Basic posture

As the group's only service industry,
we will contribute to consumers by pursuing the satisfaction
of all people who work at our company
and raising the value of customer experience in every scene.

2019.4.1 Enactment
